PASSION+ NEVER GOES OUT OF STYLE.

The Hero Passion+ is more than just a motorcycle; it's an extension of your unique style and confidence. In a world that's always moving on to the next, the new Passion+ stands strong in its originality, blending timeless design with modern technology and performance.

With refreshed graphics, striking colour options, and advanced new features, the new Hero Passion+ makes every ride smart and stylish. The latest LED headlamp enhances visibility while giving the bike a bolder look, and its all-new digi-analog meter keeps you informed with a modern display. Plus, its improved mileage ensures you can go further with greater efficiency.

It's a statement of classic style, performance, and reliability, designed for those who don't follow trends but create them.

CLASSIC

NEVER GOES OUT OF STYLE.

The new Hero Passion+ blends classic style with modern elegance, showcasing an iconic design. It features a wider 770 mm stance, refined chrome accents, and striking new colours and graphics, all of which create a quiet yet confident presence. It's a true representation of understated style and appeal, inspiring admiration at every turn.
